Dear parents and carers,

I am sure like me, many of you will have watched the Prime Ministers address to the nation yesterday evening.

You will have heard the Prime Minister indicating that the government believes it may be in a position to implement a phased re-opening of schools from 1 June, starting with pupils in reception, year one and year six. This is part of the government's conditional plan which it says will remain under regular review.

We are working with VENN and the local authority to find out more information about what this means for schools.

We are not in a position to answer questions at this stage, but as we find out more information we will communicate this with you.

We appreciate your patience and understanding and wish all of our families well during these unprecedented times.

Kind regards

Emma Levers  
Head of School
