

# Foundation Stage One

## Home Learning

**Theme: How Does Your Garden Grow?**

**Summer Term 2 Week 2**

We would love to see your home learning on Tapestry.

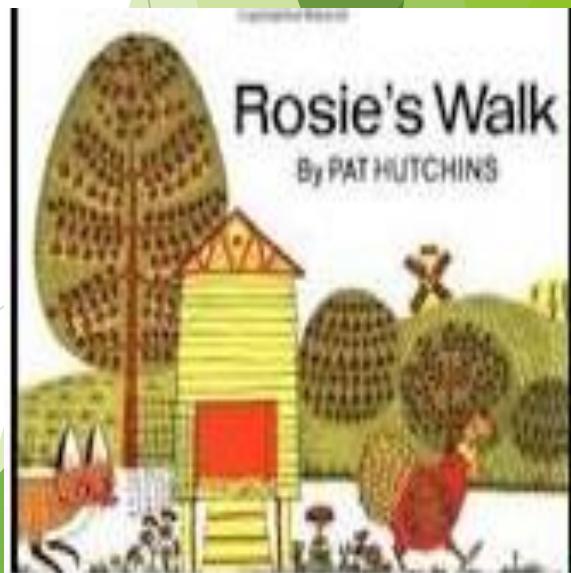

## English Lesson 1

- Listen to the story ‘Rosie’s Walk’ by Pat Hutchins

[https://www.youtube.com/watch?v=eifx8qR7U\\_8](https://www.youtube.com/watch?v=eifx8qR7U_8)

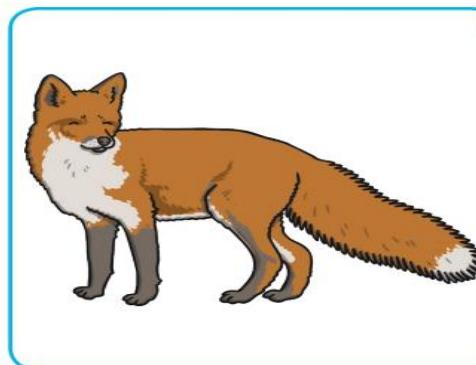

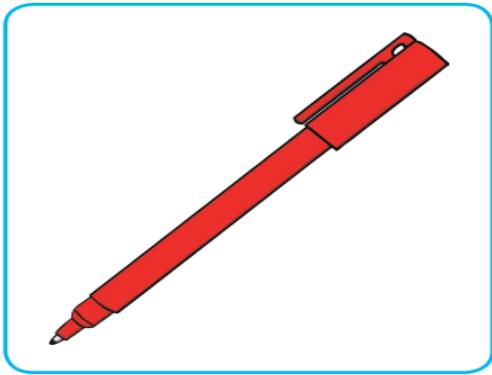

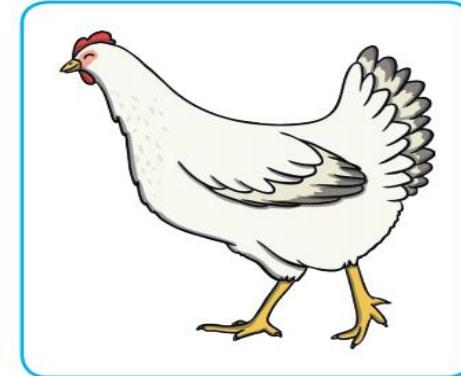

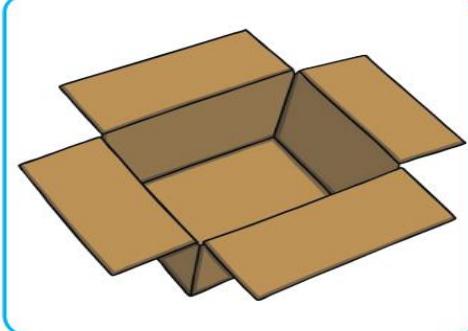

Can you tell someone else in your house about what happens in the story?

Note to parents: You can also use any other simple story in your home for children to listen to and recap the main events.

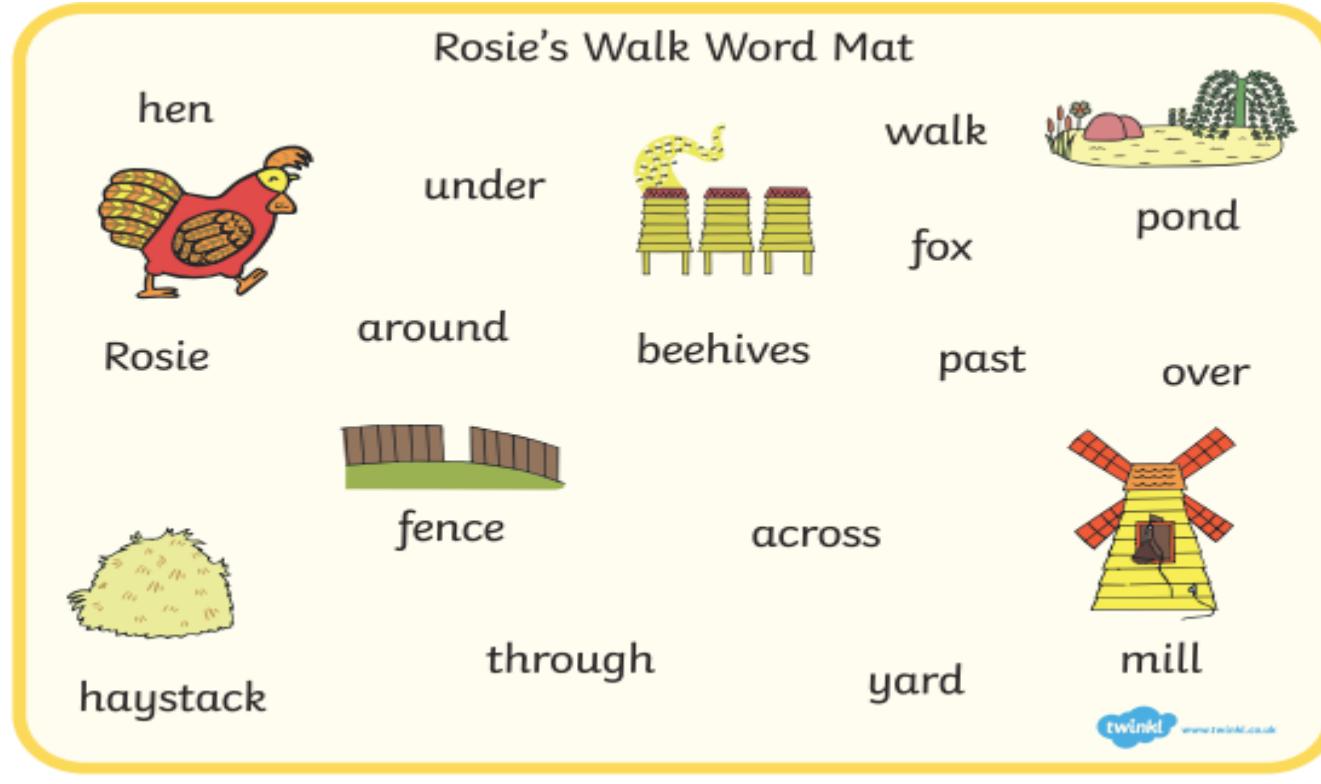

# English Lesson 2

- ▶ In the story there is a hen and a fox can you match the items to the correct rhyming string?

10

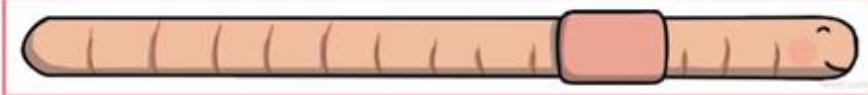

# English Lesson 3

Can you use the word mat to support re telling the story of Rosie's Walk.

Challenge: Can you think of your own end to the story.

# Maths Lesson 1 Length

Which worm is short?

Which worm is long?

Can you use your body to make a short shape?

Can you use your body to make a long shape?

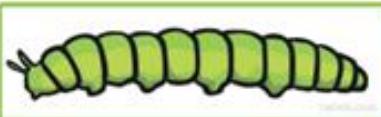

Can you find an item within your home that is short?

Can you find an item within your home that is long?

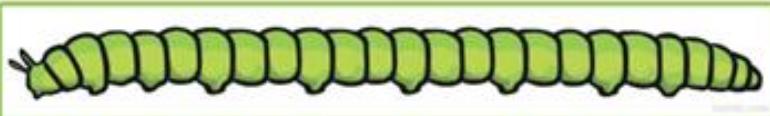

# Maths Lesson 2

Can you order these caterpillars by length?

Which caterpillar is short?

Which caterpillar is long?

Which caterpillar is the longest?

Can you find three items around your home that are short, long, longest?

# Maths Lesson 3

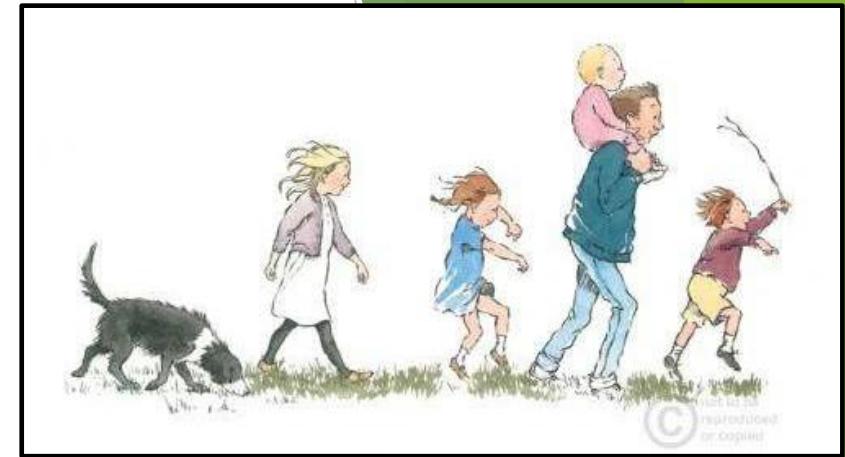

We're going on a length hunt!

Can you find something in your home that is longer than your thumb?

Can you find something in your home that is shorter than you?

Can you find something in your home that is longer than your foot?

Can you find something in your home that is shorter than your arm?

# Topic Lesson 1 Litter Bug Art

## What is Recycling?

Food, drink, clothes, toys and many other items we buy often have lots of packaging around them. The packaging protects them in transit to us but after we open the items, we don't need the packaging anymore. If we throw the packaging in the bin, it might be burnt or it might go to landfill.

To be more responsible with our rubbish, one of the things we can do is to **recycle**.

**Recycling means taking objects and using the materials they are made from to make something new and useful.**

Can you make a litter bug character from your old rubbish?

You might use milk bottle tops for the body?

What might you use for arms and legs?

## Topic Lesson 2 The World: Recycling

Paper and cardboard can be recycled and turned into new paper. What can you see in your home that is paper or cardboard?

What can you make out of paper or cardboard?

# Personal, Social and Emotional Development Lesson 1

What are you most looking forward to when things go back to normal?

The idea of this activity is to think positively about the future and the things we enjoy.

# Personal, Social and Emotional Development Lesson 2

What do you think will be the same when things get back to normal? What will be different?

The idea of this activity is to focus on the positive things that have happened during this period.
