Dear Parents/Carers

RE Starter packs for children in F1 and F2 in September

The Foundation Team staff have collated a pack of resources for you and your child to look through together prior to September. This pack provides you with information regarding the structure of the school day, expectations, as well as information on how to access 'cool milk' and to check for eligibility for pupil premium funding.

The pack also contains an 'I can' work sheet. This is to be completed by yourself and your child and provides us with some fantastic information about what your child is able to do so that we can tailor their learning to meet their individual needs.

In order to support transition, we ask that you and your child collect this from the school office by Friday 17th July. This will give your child an opportunity to come onto the school site; refreshing their knowledge of the walk to school and developing their familiarity with the school grounds.

We are really looking forward to working with you and your child. If you have any questions regarding the information in the pack, please contact your child's class teacher for September via the school office, and we will endeavour to support in any way we can.

Kind regards
The Foundation Team Staff.
