MARSHLAND  
FEDERATION

Year 4

Transition

# Meet the Teacher

Hello, I am Miss Merry!

I like long walks, I love reading and I am always to be found with my head in a good book. Sometimes I like to watch films, especially if they are based on a book I have read.

I don't like when people do not try hard, especially when I know they can do it. I also don't like when it snows, because I don't like falling down.

My hobbies include reading, sometimes baking or crafting if I have the time, and walking my six dogs. I have five Labradors and a spaniel, although I only live with two of them.

In the classroom I expect you to listen when somebody is speaking - my number one dislike is when people talk over others. I work hard to make your learning as interesting as it can be. I can't wait to meet you all in September!!

# Your Classroom

When you transition from year three to four, many things stay the same, for example you use the same toilets, stay on the same playground and use the same doors to enter the building.

# Your Classroom

Some things will change however, including your classroom, the place you are picked up from at the end of the day, and the cloakroom area.

# Daily Routine

This is only an example of a KS2 timetable and is subject to change.

	Monday	Tuesday	Wednesday	Thursday	Friday
8.45 – 9.00	Registration Morning Starter – Maths Focus	Registration Morning Starter – English Focus	Registration Morning Starter – Maths Focus	Registration Morning Starter – English Focus	Registration Morning Starter – Maths Focus

Other notes			Home Learning to be handed in		Home Learning to be handed out

# Key information

- KS2 children will enter the building independently each morning.
- Parents need to sign up if they want their child to have a carton of milk at break time.
- Children need to bring their own snack from home for break time or buy fruit or vegetables from the KS2 tuck shop.
- Children need to bring their PE kit at the beginning of the half term and then taken home to be washed at the end.
- Reading diaries and reading books to be brought to school everyday.
- Homework will be handed out on a Friday.
- Children should bring a named water bottle to school each day.

# All about us

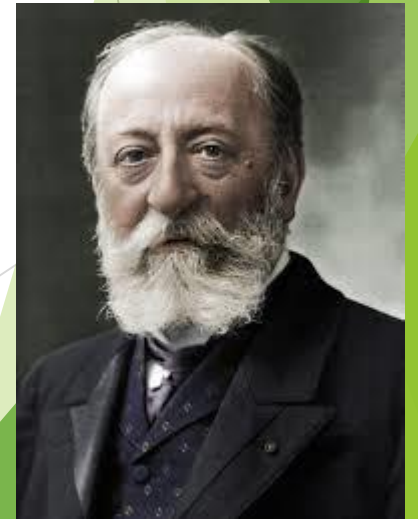

This year all the classes at Brooke Primary Academy will be named after musical greats.

Our class will be named after

**Camille Saint-Saëns**

Camille Saint-Saëns was a French composer. He played several instruments, including the organ and piano. He was inspired by famous musicians of his day including Schumann and Wagner. Camille Saint-Saëns was a teacher for a few years and influenced other famous composers such as Faure and Ravel. He was considered a child genius and composed his first piece of work aged just 3!

The most famous piece of music Camille Saint-Saëns wrote was a symphonic poem called La Danse Macabre. You can listen to it by clicking below (the sound is a bit quiet at first).

# Our Autumn Topic

Our Autumn topic will be  
**Smashing Saxons**

# See You Soon

We are super lucky to have The Smashing Saxons as our first topic. If you can think of anything you want to know about them, please send your questions in an email to the email address below. Link it to your interests if you want - if you're sporty, perhaps you want to know what games Saxons played. Maybe one day you're cooking and want to know what food Saxons ate. Get creative and send your questions to the email address, where they will be sent on to me. I look forward to reading all your questions!

Miss Merry
