Transition

Meet the Teacher

Hello, I'm Miss Jackson and I cannot wait to meet you all in September.

I like teaching Mathematics and I am looking forward to seeing how your brains grow as Mathematicians next year. In addition to this, I love finding out the meaning of new words that I've not read or heard before and then using them in my speech and writing. I also like art as I find it relaxing and it's not a subject that you can get wrong.

I don't like being cold in the winter or drawing people, because I find it really tricky to draw a person's hair and make sure that they don't have one arm or leg significantly bigger than the other!

Outside school I enjoy cooking, especially baking cakes and fruit pies, although I'm not a fan of doing the washing up. I also like to take my family to the theatre to see plays like 'George's Marvellous Medicine' and go to music concerts, although at the moment I have to wait patiently for a while before I can do this again.

In the classroom I expect that you try your best all of the time and take pride in your work, listen when an adult or friend is speaking, that you put your hand up and talk clearly, so that we can all make the most of our precious learning time.

Our Classroom

When you move from Year 3 to Year 4 many things stay the same for example the cloakroom, although you might use a different section of it, if you have a packed lunch it will still go on the same shelves and you will still use the same toilets.

Our Classroom

While school has been closed, staff have been very busy creating new displays and, painting our school to freshen it up, so you may find that the shelves you put your packed lunch on have changed colour. Therefore we also ask that you try and help us to keep our Academy looking fresh and tidy by being careful when moving around school and tidying up after yourself by handing your bag and coat up for example.

Our Classroom

In a morning there is a member of staff on the Key Stage Two playground from 8:35am, so that your parents can drop you off and get on with their day, while you have a chat to your friends.

At home time, you will be collected from our classroom fire door at 3:15pm.

Daily Routine

This is only an example of a KS2 timetable and is subject to change.

	Monday	Tuesday	Wednesday	Thursday	Friday
8.45 – 9.00	Registration Morning Starter – Maths Focus	Registration Morning Starter – English Focus	Registration Morning Starter – Maths Focus	Registration Morning Starter – English Focus	Registration Morning Starter – Maths Focus

Other notes			Home Learning to be handed in		Home Learning to be handed out

Key information

- All items of school uniform, P.E Kit's, bags and lunch boxes need to be labelled with your child's first and last name, as we have many children who share the same first name.
- Year 4 children will enter the building independently each morning.
- Parents will need to sign up if they want their child to have a carton of milk at break time.
- Children need to bring their own fruit from home for break time or buy fruit or vegetables from the Key Stage Two tuck shop.
- Children need to bring their PE kit, in a bag that can easily be hung on a coat peg, at the beginning of the half term and then taken home to be washed at the end.
- Reading diaries and reading books are to be brought to school everyday, so that the children can read in school and at home.
- Homework is to be handed out and returned each week.
- Children need to bring a named water bottle to school each day.

All about us

This year all the classes at Brooke Primary Academy will be named after musical greats.

Our class will be named after

Frederic Francois Chopin

Frederic Francois Chopin, was a Polish – French composer and pianist, who was born in 1801.

Chopin, wrote and played many pieces of music such as:

- Ballade No.2 in F major (click below to listen)

<https://www.youtube.com/watch?v=Wslm1ZL9EI8>

- Lithuanian song (click below to listen)

<https://www.youtube.com/watch?v=sfWHJtJWSi0>

Our Autumn Topic

Our Autumn topic will be called:

Smashing Saxons

See You Soon

I can't wait to meet you all on Zoom, or in school in September if you can't make our Zoom calls. I'm really looking forward to the classroom being a hive activity again and to get to know all of your individual personalities throughout the year.

I hope that after reading this, you will feel a little more confident about coming back in September and seeing your friends again. I realise that it has been a long time since you have all been in school, so when we return will aim to spend some time getting to know each other a little better and find out what we have been doing at home.

Over the summer you might want to do a little research of your own about the Anglo-Saxon period, so if you do, please either ask your parents to email it to the school office, at the email address below or bring it in to share with us in September.

br-admin@venncademy.org

Have a safe, happy and sunny summer holiday and we will see you all very soon.
