

# Foundation Stage One Home Learning

Theme: How Does Your Garden Grow?

Summer Term 2 Week 7

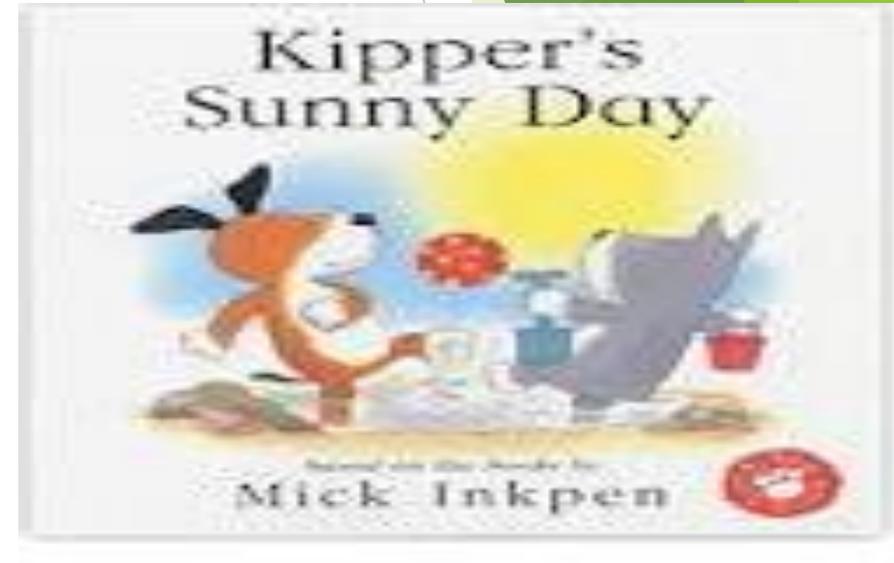

We would love to see your home learning on Tapestry.

# English Lesson 1

- Listen to the story 'Kippers Sunny Day' by Mick Inkpen

If you don't have the text the video clip can be found at:

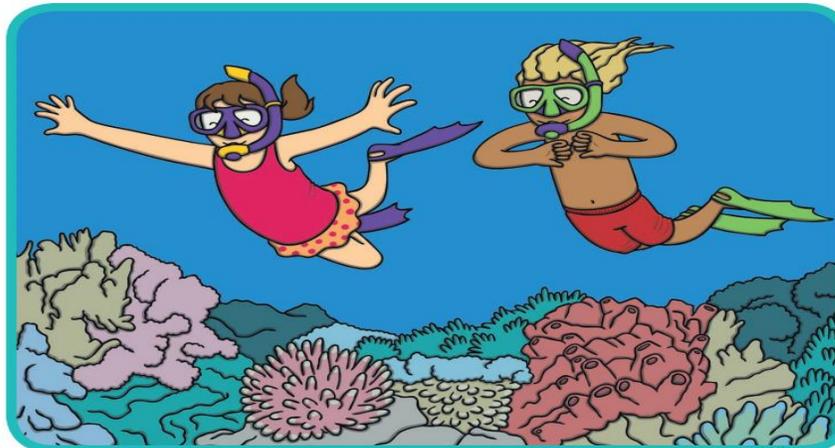

[https://www.youtube.com/watch?v=BioVMBPN\\_6o](https://www.youtube.com/watch?v=BioVMBPN_6o)

What happens in the story? Can you tell your adult?

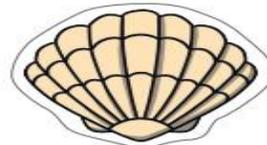

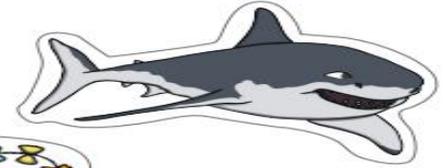

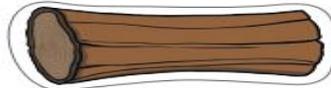

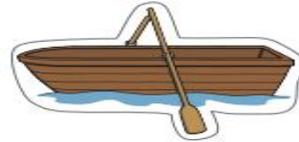

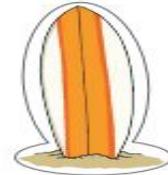

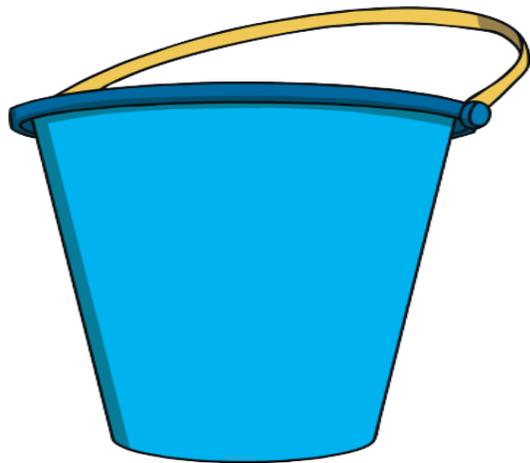

# English Lesson 2

Kipper went to the beach for the day. Look at the post cards and describe to your grown up what is happening in these pictures.

# English Lesson 3

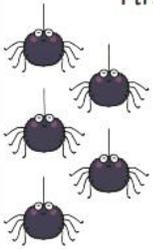

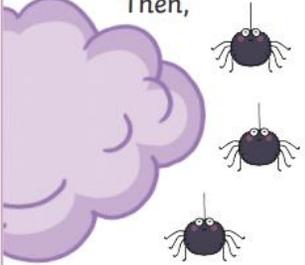

Get your grown up to sound out the items in the pictures below like a robot and see if you can blend the sounds together to identify the correct item! Any you get right can go in your bucket. Good Luck!

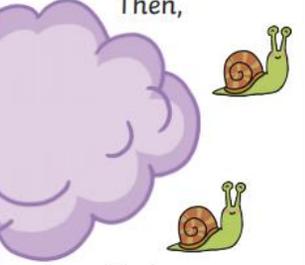

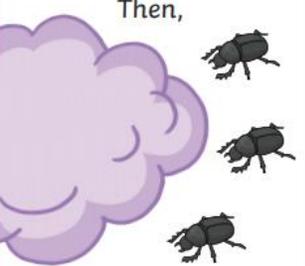

## Items in your bucket:

- rock (r-o-ck)
- fish (f-i-sh)
- beach hut (h-u-t)
- rubber ring (r-i-ng)
- surf board (b-oar-d)
- shark (sh-ar-k)
- seaweed (w-ee-d)
- deck chair (ch-air)
- driftwood (w-oo-d)
- boat (b-oa-t)
- shell (sh-e-ll)
- kite (k-i-t-e)

# Maths Lesson 1 Adding More

<p>First,</p>  <p>he put in 5 spiders.</p>	<p>Then,</p>  <p>he added 3 more.</p>	<p>Now,</p> <p>how many are there altogether?</p>
---	--	---

<p>First,</p>  <p>he put in 4 snails.</p>	<p>Then,</p>  <p>he added 2 more.</p>	<p>Now,</p> <p>how many are there altogether?</p>
--	--	---

<p>First,</p>  <p>he put in 7 bugs</p>	<p>Then,</p>  <p>he added 3 more.</p>	<p>Now,</p> <p>how many are there altogether?</p>
---	--	---

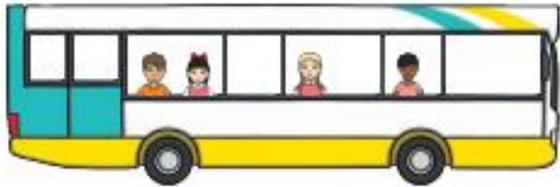

Can you collect 5 objects from around your home?

Can you collect 2 more objects?

How many objects do you have altogether?

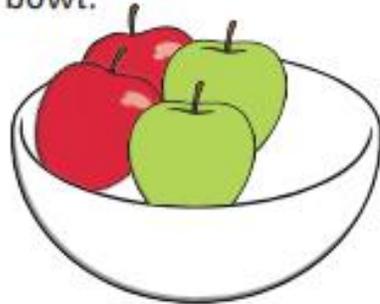

# Maths Lesson 2 Add more

Add 2 more children to the bus.

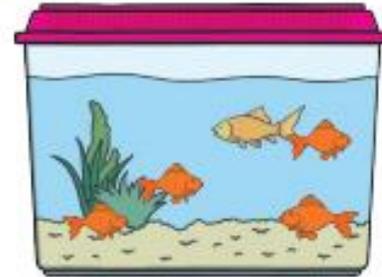

How many children are there?

Add 1 more apple to the fruit bowl.

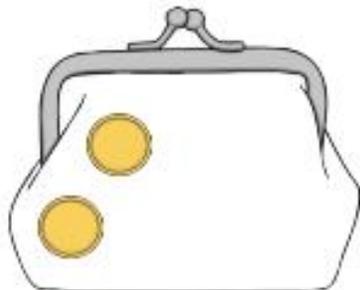

How many apples are there?

Add 4 more fish to the fish tank.

How many fish are there?

Add 3 more coins to the purse.

How many coins are there?

1 2 3 4 5  
6 7 8 9 10

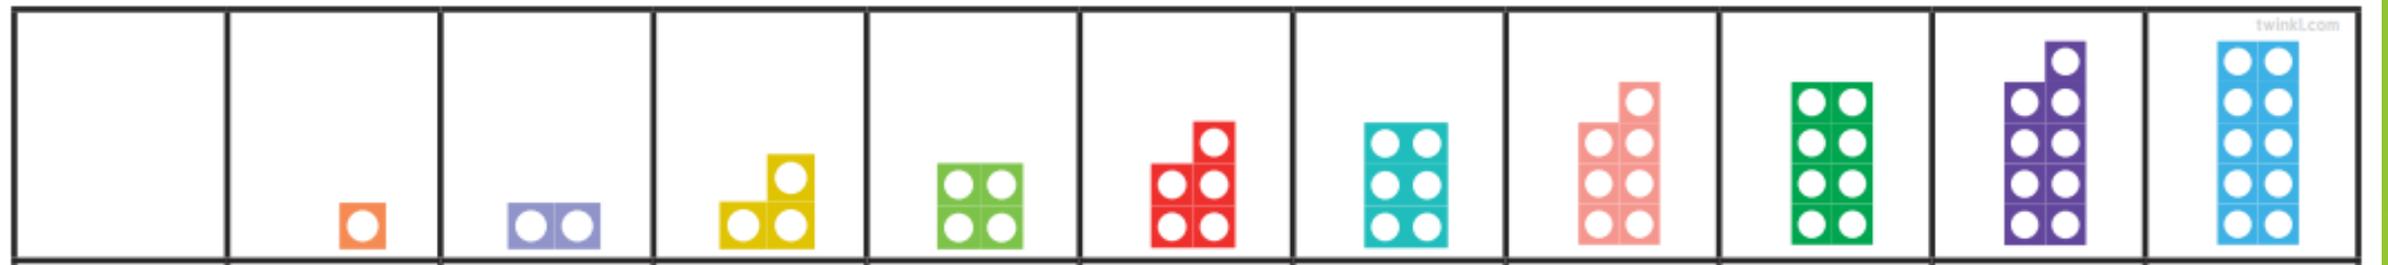

# Maths Lesson 3 Numbers and Counting

Can you count forwards and backwards along the numberline?

Can you practise writing your numbers to 10?

0 1 2 3 4 5 6 7 8 9 10

# Topic Lesson 1 Water Art

- ▶ Can you use large paintbrushes and a bucket of water to paint water pictures onto a paved area? If it is a very hot day they don't last very long though. Maybe you could paint your name or paint a summer sun?

# Topic Lesson 2 Making Ice Lollies

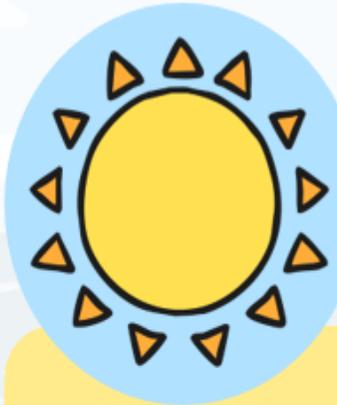

Can you make ice lollies to keep you cool? If you don't have a ice lolly moulds you could use an ice-cube tray.

# PSED Lesson 1

The beach is lots of fun and we are hoping lots of you get the chance to visit the beach this summer. Here are a few tips for staying safe. Have fun!

## The Sun

The sun gives off different types of energy:

- Invisible infrared radiation, which makes us feel warm.
- Visible light, which we can see.
- Ultraviolet radiation (UV rays), which we can't see or feel on our skin, but can damage it if we get too much of it.

## Why Stay Safe in the Sun?

- It's easy to get sunburnt, even when you're not expecting to.
- Just because you can't feel UV rays, doesn't mean that they aren't there.
- Spending too much time in the sun can be harmful.
- You can still burn on a cloudy day!
- Young skin is very delicate and is easily damaged by the sun.

# PSED Lesson 2

## How Can We Stay Safe?

A hat with a wide brim will shade your face and neck.

Sunglasses can help to protect your eyes from UV rays.

Cover up with a t-shirt to protect your shoulders and upper arms.

- It's very important to protect your skin from getting burnt.
- The sun can damage your eyes and you could even be blinded!
- Never look up at the sun!

## How Can We Stay Safe?

Always wear sun cream.

Drink lots of water to keep hydrated.

You can help to look after your skin by spending time in the shade when the sun is at its strongest - between 11am and 3pm.

Where can you find shade?

You can find shade under trees, canopies, umbrellas, or indoors.

# PSED Lesson 3

## How Can We Stay Safe on the Beach?

Just swim where it's safe to – preferably at a lifeguard patrolled beach.

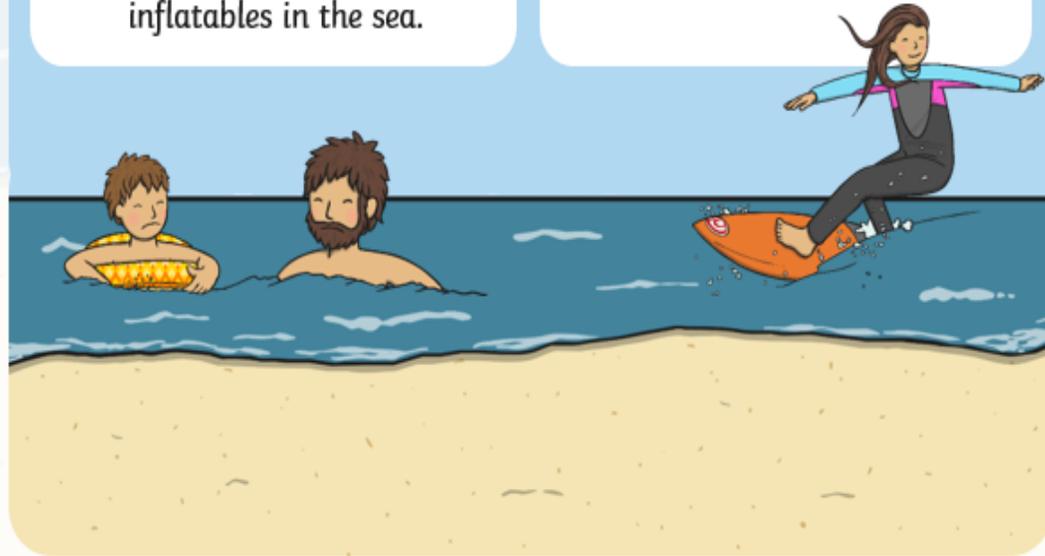

Make sure you can swim, never swim alone and make sure you are always supervised by an adult at the beach.

## How Can We Stay Safe on the Beach?

Keep an eye on the weather – if it's very windy or the sea is rough, do not swim or use inflatables in the sea.

Wear the proper clothing when playing water sports.
