

Dear Parents/Carers

29 September 2020

As you are aware Year 3's topic for the autumn term is '**Digging Up The Past**'. It focuses on life in the Stone Age. To immerse the children further into this topic, we have planned a 'Stone Age Day' on **Tuesday 10th November 2020**.

The children will have the opportunity to spend the day as archaeologists and prehistorical beings discovering fossils, exploring prehistoric landmarks and recreating artwork.

On this day we invite the children to dress up as either an **archaeologist, a cave man or woman** or a **prehistoric animal**.

The children have thoroughly enjoyed and learnt so much within this topic so far, we are so excited to continue their learning and explore and uncover even more secrets from the past.

If you have any questions, please do not hesitate to speak to your child's class teacher.

As always, thank you for your continuous support.

Miss Saul and Mr Moore
