Dear Parent/Carer,

This is only relevant to parents who have received a text message to direct them to this letter

RE Y6 Booster sessions

In order to further support your child to reach the expected standard in their SATs this June, starting this Tuesday (Tuesday 15th September) we would like your child to stay at school until 4.15pm for this half term (last session Tuesday 20th October).

During the hour your child will receive 1-2-1 or small group tuition to address any gaps in their learning and reinforce the teaching that is taking place in school.

Please can you confirm whether you are happy for your child to stay by replying to the text message you have received, contacting the school office or emailing BR-admin@vennacademy.org

Many thanks
