

Year 5/6 Transition competition

Task	Learning Objectives	Details	Success Criteria
1	To learn the story of Noah's Ark	Read the story of Noah's Ark in the Bible. You will need to use the website www.biblegateway.com and find Genesis Chapter 6,7 and 8 in the New Living Translation (NLT). Complete an 8 box storyboard to tell the story of what happened, using pictures and words.	You will have completed an 8 box storyboard telling the story of Noah and the Ark and it will have pictures and writing on.
2	To understand the history and archaeological evidence, surrounding the flood story.	Using the questions, research on the internet the evidence that this event really happened and answer the questions on paper giving detail and explanation in your answers.	You will have written answers to the following questions: <ol style="list-style-type: none"> 1. Is there any evidence for Noah's Ark today? 2. Is Noah's Ark still on Mt Ararat? 3. What has been found on Mt Ararat that could be Noah's Ark? 4. Why are people so sure? 5. What is your opinion?
3	To build an Ark	Using resources from around the home (cardboard, bottles etc) create a model of Noah's Ark ready to bring into school for your first RE lesson in September.	You will have completed a model of Noah's Ark.
	When you come to school we will make a display of your work.	If enough Arks are brought in, we will make a display of your work in the school in September.	

Story board: (draw pictures with a short sentence in each box explaining the story)
