Dear Parents/Carers

11 January 2021

Firstly, we would just like to say how grateful we are for your support during these unprecedented times. We are working very hard at school to continue to deliver a high standard of education through remote access. We are all learning together and trying to deliver the curriculum through technology which is unfamiliar to the majority of us. We thank you for your patience.

As you are aware, we will be delivering the curriculum through our daily zoom calls. These sessions are where we teach new content so we strongly encourage all children to attend them.

We are aware that some children can find this difficult, due to a variety of reasons including limited access to devices. As you will appreciate, we are unable to differentiate content through Zoom so it may not always be appropriate to the stage of your child's development, however exposure to even some of the session will help them.

As a way of supporting this, we will be uploading resources to Tapestry which you can access prior to the lesson along with worksheets which will help you to evidence their learning. Please note, there will not be activities uploaded everyday as some of these can be delivered through the live learning itself. Each worksheet or PowerPoint will be dated and linked to the learning target as set on your timetable so there will be no confusion as to which activity to complete.

We would greatly appreciate you uploading any work that your child completes on Tapestry. We will be marking this and providing next steps as a way of extending and developing the children's learning. It is important to continue to evidence your child's progress and we are very grateful for your support with this.

Please find attached step by step instructions on how to access the resources on both a mobile device and a computer/laptop. Please note, to access these you need to log in through the website and not the app.

If you have any queries, please do not hesitate to contact the EYFS team on the following e-mail address:

BRK-EYFS@vennacademy.org

We look forward to seeing you all daily on zoom!

Keep smiling and stay safe! We will get through this together.

Kind regards

Miss French, Mrs Binns and Mrs Baxter

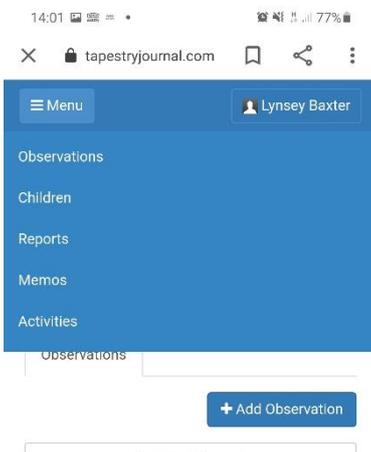

To access the activities and worksheets on a mobile device

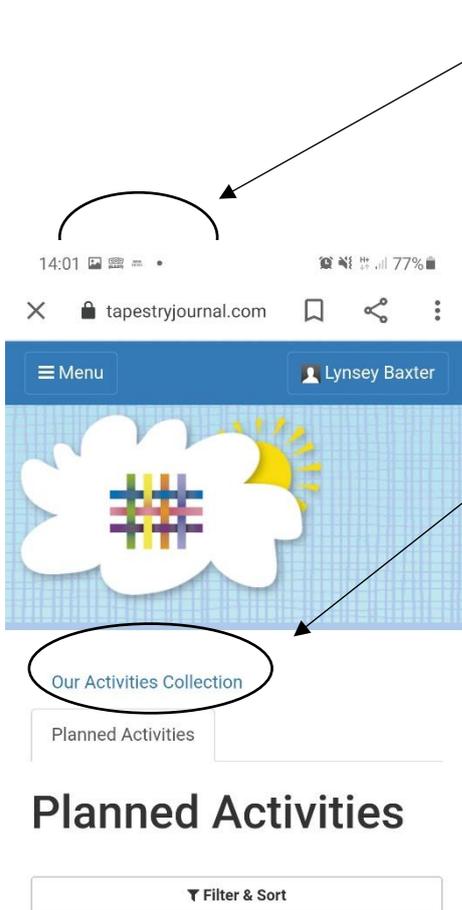

Log into tapestry using the e-mail address you provided to school and the password you set up when you activated your account.

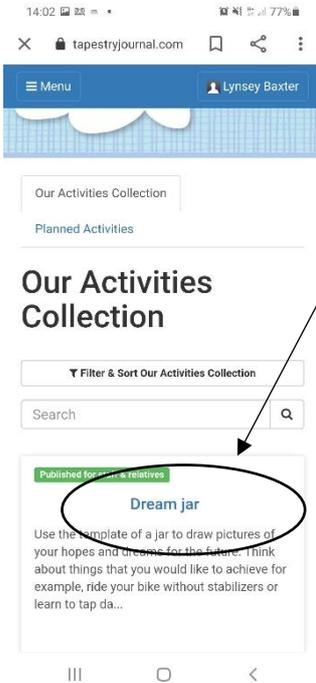

Once logged in on a **mobile device**, you will see this screen. Click on the menu.

A drop-down box will appear. Please click on 'Activities'.

You will be presented with this screen. Please click on 'Our Activities Collection'

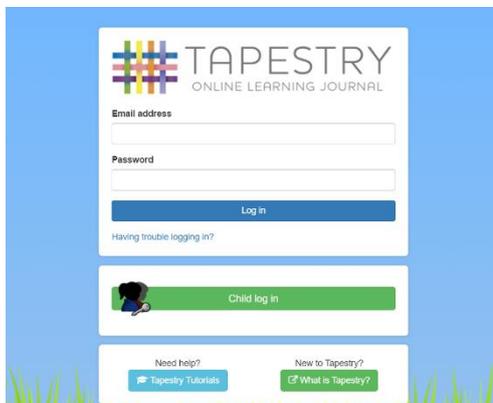

You will then be presented with the activities available. These will be dated to match the activity planned through zoom. Click on the name of the activity e.g. 'Dream Jar'.

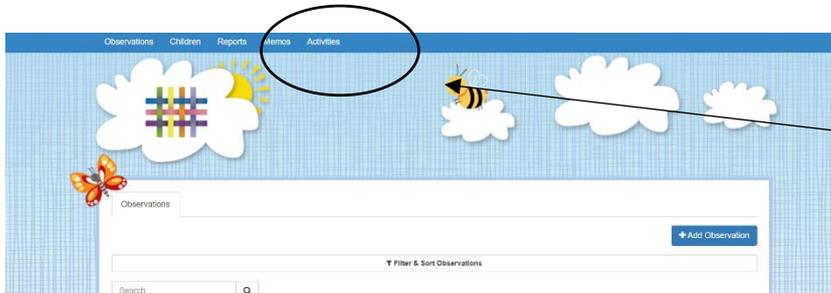

This will take you to the activity itself. You can download the document and read the instructions about the activity. There is a question and discussion box below. We do not recommend you posting any queries in this section as all parents will be able to see your comments. Please e-mail the EYFS team if you have any queries about the activity.

To access the activities and

worksheets on a computer:

Log into tapestry using the e-mail address you provided to school and the password you set up when you activated your account.

Once logged in, you will see this screen. Click on 'activities'.

You will then be presented with this screen. Please click on 'Our Activities Collection'

You can then follow the steps as above.
