Boy, Everywhere

A stunning debut chronicling the harrowing journey taken by Sami and his family from privilege to poverty, across countries and continents, from a comfortable life in Damascus, via a smuggler's den in Turkey, to a prison in Manchester. A story that everyone should read, written with empathy, tenderness and hope.

Space Oddity

You might think that this story is going to be an intergalactic adventure, filled with UFOs, black holes, killer robots and some very foul-smelling aliens. And you'd be right. But it's mostly about a boy called Jake, his embarrassing dad, and the mind-boggling question . . . are we really alone in the universe?

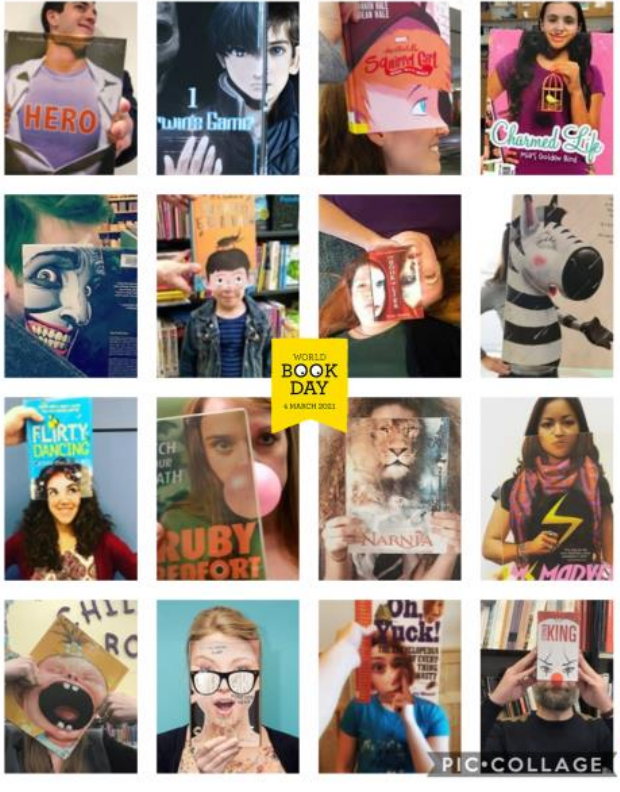

Show us your bookface!

Use a book cover to create a photo that will blur the lines between reality and art. How creative can you be?

TIPS:

If the face on your book cover is the same size as your face, hold the book close. If it's larger than your face then hold the book further away. You can ask your family to get involved – either to hold the book, take the photo or to pose with you with their own bookface!

There's lots of prizes to be won! Email your photos to Mrs Marshall at Brooke-UKS2@vennacademy.org By Friday 5th March 2021
