Community Ambassadors

This week our community ambassadors have held a virtual meeting. As we know, the start of this year has been difficult for everyone and the children really want to spread some happiness and positivity around Thorne. Therefore, we would like the children of BPA to create a positivity poster, which will be displayed around Thorne. The poster could include inspirational quotes and messages alongside a picture to brighten up the days for the people in the community. We are working alongside the Stronger Families Team who will print these on to hardwearing materials and display them around Thorne. Please add your

child's initials to the bottom of the poster. The deadline for the work is **Friday 5th March**. Please post your artwork into the postbox located underneath the bike shed. Have fun and spread the happiness!

Mothering Sunday

We are collecting photographs of the children for Mothering Sunday. Please email a photo of your child, with either yourself or a figure they will be celebrating on that day, to brk-lks2@vennacademy.org by Friday 5th March. . Please only send photos that can be used on social media.

Thank you
Miss French

Art and Design

For this week's Art and Design challenge I would like you to design your own clothes using a nature freeze frame. You will just need a thin sheet of cardboard (perhaps from an empty cereal box or delivery packaging). Children should draw a simple outline of themselves, then stick a photo of their head onto the outline of their body. Carefully cut out the body outline, leaving a thick cardboard edge to hold. On your daily walk see how many designs you can create with nature and the environment around you. Look for patterns, colours, texture and different materials.

Please send any pictures to brk-lks2@vennacademy.org

I can't wait to see how creative you have been this week!

Have fun!

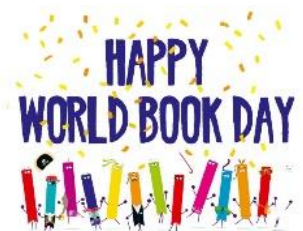

Mrs Binns.

World Book Day Events

Next week we have a range of World Book Day activities taking place throughout the week. A letter detailing all of the week's events is linked below:

Braiswick Photographers

On Wednesday 17th March Braiswick Photographers will be in school to take group 'class' photographs. The photographers will not need to get close to the children and will follow our COVID-19 safety procedures.

Easter Events

Further details of our Easter celebrations will be sent out next week. If you are able to donate an Easter Egg to our raffle, please send this to school with your child.
