Classes for 2021-22

Next week we will be asking the children to choose 2-3 friends who they would like to be in the same class with next academic year.

Teachers will use this information to create the class lists. We aim to ensure that children are placed with at least one of their chosen friends.

Security of Bikes and Scooters

We urge parents to ensure that their child locks up their bike or scooter if they bring it to school. Bikes and scooters are left at your own risk and unlocked bikes can attract theft.

Coronavirus Awareness

Unfortunately, despite the vaccine programme, the risk of catching coronavirus is still high and the Doncaster region has one of the highest levels across the country. Therefore, we ask that parents continue to take care and wear a mask when they are on the school site.

Sun Awareness

As the weather turns warmer, we ask parents to think about protecting their child from the sun. Unfortunately, staff members are not allowed to apply any sun cream so we recommend parents apply sun cream to their child in the morning before they come to school. They may wish to give their child a NAMED sunhat to wear at lunchtime.

Thankyou

I would like to say a huge thank you to all the families that I have supported during my 16 years at Brooke. I was overwhelmed on my last day with the amount of gifts I received. All your kind words meant so much to me. It has been a pleasure to work with each and every one of you. Please give a message to your child from me. You are all amazing and I wish each and every one of you the best. Please carry on being the best you can be and I hope to see you around.
