

30th June 2021

Dear Parent / Carers,

RE: Cancelled Transition Week for Y6 at Trinity Academy WC 12th July.

I am sure, like us, you were disappointed to hear that the transition week at Trinity Academy is unable to go ahead this year.

As you will appreciate, this leaves us in a difficult situation. Our transition arrangements for F1 – Y5 children are already in place, which affects the staffing and space available to support an ‘additional’ year group.

Mrs Marshall and Miss Jackson will not be available to work with the Y6 children, as they will be teaching their ‘new’ classes. Their classrooms are also not available during this week. As a result, we have been trying our best to think of how we can best support the Y6 children, if you decide to send them to Brooke for this week.

We obviously do not want to leave parents in a difficult position regarding childcare, so we will certainly make the week as best as it can be for them.

However, we feel it is best to continue with the current plans and keep Friday 9th July as being their formal ‘last day’. On this day we will say our formal ‘goodbye’, but understand that we may see some of the children again on Monday 12th.

Children attending WC 12th July should report to reception each morning to register and we will use the music room as their base for the week.

If you have any further questions, please don’t hesitate to contact me.

Yours Faithfully,

Mrs E Levers
Head of School
