

Dear Parents / Carers,

**RE: Cancelled Transition Week for Y6 at Trinity Academy WC 12<sup>th</sup> July.**

Following my previous letter, [Y6-Transition-Week.pdf \(brookeprimaryacademy.org.uk\)](#), we have received a few queries from parents regarding the arrangements for Y6 during the week.

I am writing to reassure parents that the children attending Brooke WC 12<sup>th</sup> July will be well supported and cared for.

I am extremely disappointed for the children that they are unable to take part in transition at their secondary school. This is obviously out of my control. However, we will ensure that the children who attend WC 12<sup>th</sup> July have a great week with us.

I am not currently able to share the full details of our plans for them as I have not yet finalised the provision. We have been looking into a range of ideas and I have been in contact with local companies to enquire if we can bring them in to school to work with the children. However, as you will appreciate, due to the late notice, many are fully booked. I also have to be mindful of the Covid 19 risk assessment. However, regardless of this, I am certain that the children who attend will have an enjoyable week.

As previously communicated, I would very much appreciate if parents who have any concerns come and speak with me directly. I will be at the Y5/6 sports day today if you would like to discuss any of your concerns.

Kind regards,

Emma Levers

Head of School
