Re: Times Tables

As you know your Year 4 child will sit the statutory multiplication check in June.

Due to the very poor attendance at the last parent meeting, we are holding another meeting to discuss the multiplication check in more detail and how you can support your child at home.

The meeting will take place on Wednesday 2 March at 2.45pm in the hall. Please access the hall through the side gate (Breakfast Club entrance). We would like an adult to attend for every child so if you are unable to attend we welcome grandparents, aunts, uncles etc.

If you (or a representative) are unable to attend, please email BR-admin@vennacadey.org and we will send the MTC pack home to you with your child.

It is really important that you attend the meeting. The meeting will finish in time for school pick up.

Thank you for your continued support.

Miss French, Mrs Brady, Miss Jackson and Mr Jones
