Dear Parents and Guardians,

Re: Nature Safari – 11th May 2022

Our Summer topic is 'Paws, Claws and Whiskers.' During this topic we will be learning about different animals and their habitats.

We have invited Nature Safari into school on Wednesday 11th May 2022. First hand experiences of the animals featured within our topic will enthuse, engage and embed children's learning. To help make this visit possible we are asking for a voluntary contribution of £4 to cover the cost for each child.

Parental voluntary contributions are welcomed for this visit. However, the school reserves the right to cancel the visit should it consider the net cost after taking into account voluntary contributions, is uneconomic.

Without making a contribution **your child will not have consent to participate in the session.** All contributions should be paid via ParentPay by Wednesday 27th April 2022.

Thank you for your continued support.

Kind regards,

Miss French and Mrs Brown
