If your child already **has** a Thorne Library card, please can you hand the card to an adult, on (or before) the trip.

If your child **does not** have a library card, but you would like him/her to have one, please complete the application form we have sent home with your child (please check his/her book bag) and return this to school on (or before) the trip.

During the visit the children will take a tour of the library, look at the books and information on display, and have the opportunity to take a book home with them.
