

20th May 2022

Dear Parents and Carers,

Relationships and Sex Education (RSE) Curriculum

We have previously informed you that the curriculum expectations for RSE had been updated by the Department for Education. In preparation for implementation in the summer term we have been reviewing our learning intentions for the RSE Curriculum.

We would like to share the content of the curriculum and the resources with all parents and carers as we appreciate that some parents may have questions about the content of what is taught in the unit. We are therefore inviting you to attend a session on either Wednesday or Friday afternoon - the week commencing the 23rd May 2022.

Please see the table below for times and dates of the sessions for your child's year group, as well as the adult who will be leading the session.

We hope that by attending the workshops and reading our parent guides sent in the previous letter, parents will be able to introduce or further reinforce the content at home.
