

Dear Parents and Carers,

### RE: KS1 Statutory Assessment Tests (Y2)

During May we administer the KS1 Statutory Assessment Tests (SATs) to our Y2 children. The tests consist of:

- English reading Paper 1
- English reading Paper 2
- Mathematics Paper 1: arithmetic
- Mathematics Paper 2: reasoning

The results of these tests are used to support the Y2 teachers in their assessment of each child's understanding of the KS1 National Curriculum in English and Maths.

**These tests are only one indicator of a child's understanding; the Y2 teachers also gather evidence from other sources throughout the year.**

The end of year attainment level of your child will be reported through the end of year report.

On Friday 20<sup>th</sup> May, we will be celebrating the children's hard work and determination by holding an afternoon of games and icecream (supplied by the local icecream van). The children should attend school as normal. As it is PE on this day, the Club Doncaster Team will be delivering some of the activities.

We are very proud of how hard the children have worked all year and we are looking forward to celebrating with them.

Kind regards,  
Mrs Emma Levers and the Y2 team
