

F1 Autumn Home Learning Menu

Marvellous Me

Communication and Language

Tell a family member about your day at school.

Physical Development

Can you walk to school at least once a week?

Personal, Social and Emotional Development

Talk about your feelings every day. Discuss what makes you happy or sad and why.

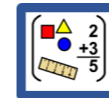

Literacy

Tell a grown up about a story you have read at school.

Mathematics

Use natural resources to make a repeating pattern (leaves, acorns, conkers etc).

Understanding the World

History— Do you know the first names of your parents and grandparents?

Computing— Use a CD player and listen to some songs.

Religious Education — talk about places and times that are special to your family.

Science—draw a picture of yourself and talk to an adult about your features (e.g. how many eyes, hair etc)

MFL—learn how to say 'hello' and 'good bye' in French

Geography—Create a simple map of their garden with an adult.

Expressive Arts and Design

Music—create your own musical instrument, using things you can find at home..

D&T (Food and Nutrition)- Make a pizza with your favourite toppings.

Art and Design— make a piece of art using materials such as leaves, pebbles, twigs from your garden/park. You could create a face/animal/building etc.
