

# F2 Autumn Home Learning Menu

## Let's Celebrate

### Communication and Language

Tell a family member what you like about school.

### Physical Development

Can you physically travel to school in different ways? You might walk, scoot or ride your bike.

### Personal, Social and Emotional Development

Talk about your feelings every day. Discuss what makes you happy or sad and why.

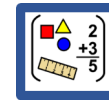

### Literacy

Retell a story you have heard at school to different family members; you could use words, pictures or actions.

### Mathematics

Go for a walk and collect and count up to 10 objects (conkers, leaves, acorns.)

### Understanding the World

History— When is your birthday? How do you celebrate your birthday?

Computing— Use a computer or laptop and type your name.

Religious Education — Decorate a Christmas tree.

Science—Go outside and collect in different leaves and seeds. What do you notice about them?

MFL—Can you say hello in French 'Bonjour'

Geography- Go on a walk and draw 3 pictures of features they have seen on their walk.

### Expressive Arts and Design

Music—create your own musical instrument, using things you can find at home.  
Record your own song!

Design and Technology (Food and Nutrition)- Make and decorate some buns.

Use junk box materials from around your house to design a fancy home for your favourite super hero.
