Re: Year 1 History

Dear Parents and Guardians,

Our History unit in Autumn one is all about what school and life has been like for our grandparents. To support this learning, Year 1 children will be inviting their grandparents into school to share their experiences. We will also be asking for any photographs or memorabilia to be brought into school to be shared with the class.

Please see the dates below.

**Monday 12<sup>th</sup> September at 2.30pm** – grandparents are invited into the year 1 classrooms to answer questions on what school was like. Grandparents are encouraged to bring any photographs or memorabilia from their school days.

Monday 19<sup>th</sup> September – children to bring photographs of their grandparents houses when they were young. This could be anything that shares a glimpse of what homes were like and how they have changed. If any grandparents have any old irons, kettles or phones please bring for the children to share.

Monday 26<sup>th</sup> September – children to bring in an old letter, envelope or telephone from when their grandparents were young.

**Monday 3<sup>rd</sup> October at 2.30pm** – grandparents will be invited to play Dominos with the children. Grandparents to bring any old toys from when they were little.

Monday 10<sup>th</sup> October – children will be discussing the first moon landing and looking at videos in school. Children to have spoken with their grandparents prior to this date about what they remember about it; did they watch it on TV, where were they etc.

We understand that bringing in old photographs, memorabilia or toys might not be possible for all children so please just bring in and share what is possible.

We thank you for your support and looking forward to seeing everyone soon.

Kind regards,

Miss French, Mrs Brown and Miss Hennigan
