

Dear Parent/ Carer

This term in our Science lessons, the children are learning about animals and their habitats. During the topic, the children will learn about animals, where they live and their food chains, including microhabitats.

For this we will be going to Austerfield Learning Centre on the Friday 17<sup>th</sup> March 2023. Here we will take part in several educational lessons and hands on activities. The coach will be leaving school at 9.15am and will be back at approximately ready for the end of school at 3.15pm

The children will need to bring a packed lunch, wear suitable outdoor clothing that can get dirty and appropriate footwear, this ideally needs to be wellies or footwear that can get dirty. You also need to send your child with an appropriate coat as it could be cold and wet. If you would like a school packed lunch please advise us.

The cost of the trip is £16.50 per child. This covers the coach and the educational lessons whilst at Austerfield. Voluntary contributions are welcomed for the trip, however the school reserves the right to cancel the trip should it consider the net cost, after taking into account the voluntary contributions, is uneconomic. We ask that your payment is made on ParentMail by Friday 3<sup>rd</sup> March.

Thank you for your continued support

Mr Moore
