Weekly News

This week, Mr Moore and his STEM ambassadors launched British Science Week 2023 with a special assembly. British Science Week is a ten-day celebration of science, technology, engineering and maths. This year's theme is all about connections. The children have been discussing the connections between their current and past learning.

Lots of exciting Design and Technology lessons have been taking place this week. Year 3 have been preparing and cooking a variety of vegetables soups and year 5 are in the process of building a prototype tuck shop

Super Pi Competition Day

South Axholme Academy invited three mathematicians from year six to attend a Super Pi Day. This consisted of Pi related problems. The children from Brooke won the event, scoring 171 points, winning by 12 points. A massive well done to Christian, Iden and Layni-Grace, we are very proud of them!

Fundraising Easter Raffle

Like previous years, the school will hold a fundraising Easter raffle for the chance to win Easter eggs.

The raffle tickets will be sold at **£1 a strip**. If you are wanting to purchase any raffle tickets, please send the money in an envelope with your child's name and class on it. The final day to buy raffle tickets will be Wednesday 29th March.

We would greatly appreciate any donations of chocolate eggs for our school raffle.

Mathematics Parent Sessions

If you would like to attend our parent mathematics sessions, please sign up at the office. The sessions will focus on the curriculum and how we teach certain concepts.
