Weekly News

Independence

During Tuesday's assembly, Mrs Roberts and the children discussed what it means to be independent, which is one of our school values. Many gave some brilliant examples of how they are curious, self-motivated, a problem solver, manage time effectively, persistent, responsible and resilient.

King's Coronation Event

What a fantastic day we have had celebrating King Charles' Coronation! The children came dressed in red, white and blue to mark the occasion, and they all looked amazing! This morning, we welcomed one of our special grandparents and parents into assembly. Mrs Wade spoke to the children about how she has met King Charles on several occasions and how she was recently awarded an MBE for her services to prisoner education. The children loved listening to her stories and learning a little bit about King Charles. We were lucky enough to watch the video of Mrs Wade actually receiving the MBE in Windsor Castle. The children have also enjoyed scones and lemonade with their class and teachers.

History Family Learning

The Coronation of King Charles is a historic event. If anyone has any extra time this weekend they could do a little research into Queen Elizabeth II's coronation and see what similarities and differences you can find out between the two. Anybody REALLY keen could also look up Queen Victoria's coronation and, again, look out for similarities and differences...

Geography Family Learning

The children's bunting is up around Thorne for the coronation celebration. Be on the lookout for your child's and see if they can identify where the bunting is located. Children can also draw a map of the park and create a key to explain what the symbols on the map mean. Please hand these into the office so they can be passed onto Mr Jones (Geography Lead).

YouTube

Technology is great, we can use it for researching, coding, watching videos, playing games, listening to music and much more. We know children and adults enjoy spending some time on the internet, it really is a great tool! As adults and children, we occasionally use YouTube to watch videos. We are aware children enjoy watching videos too. Many of you may know the tips and hints to keeping children safe when using YouTube. There is of course YouTube Kids, which is specifically aimed at children and specific age groups.

The link below gives lots of hints and tricks to keeping your safe child safe when using YouTube.

SEND Coffee Morning

On Monday 17th May at 9.00am we are pleased to be holding a coffee morning for parents of SEND children or for any parents who are wanting to talk with the SENCO about their child. This could be for anything in relation to educational, health or care needs. We currently have the following external agencies coming to the coffee morning who will be able to offer advice and support or signpost to further information; ASCETS (Autism Specialist Teachers), With Me in Mind (CAMHS locality for mental health support) School Nursing Team and Doncaster Parent Voice (a group aimed at supporting parents and families with children with a diagnosis of autism). If you would like an informal chat with any of the professionals above, please come along for coffee, cake and a chat. We look forward to seeing you!

Doncaster Local Offer

The Local Offer provides information regarding services you can use in Doncaster if you are a parent or carer of a child who has special educational needs and/or disabilities. It shows families what they can expect from a range of local agencies including, health, education and social care, as well as what activities, clubs, advice and support is available.
