

Dear Parents/Carers,

Monday 3rd July 2023

On Friday 14th July we will be holding a themed French Day. French is the language we teach our children when they enter KS2, and we pride ourselves in an immersive and engaging education.

To celebrate this, we are asking the children to come to school on this day wearing the colours of the French flag. There will be a range of exciting activities happening throughout the day, with lots of interesting opportunities to learn about French culture. We encourage children to research French culture, and there will be a prize for the best presented fact file on 'All Things French'.

We would love everyone in school to take part and be creative. If any of our children have visited France or any other French speaking countries we would love to display the photos around our school.

Thank you so much for your continued support.

Miss J Low
