

Brooke Primary Academy

Weekly News

We can't quite believe how fast the end of term is creeping up on us! We have had another busy, fun filled week!

This week and last our Y2 and Y6 teachers met with other local primary schools to moderate writing together. They were fantastic afternoons and Mr Moore, Mr Farrand and Mr Thomas felt very proud when sharing our books with other professionals.

At the beginning of the week, our whole school assembly was all about having tolerance of those with different faiths and beliefs, which is one of the five Fundamental British Values. The children spoke to someone else in their class about how they were the same and how they were different and discussed how we always respect people's differences. The children enjoyed watching a clip from 'Birds on the Wire' and identified which characters were not being tolerant.

Y6 have been enjoying lots of visits from Trinity teachers to support transition. They enjoyed a visit from their Science team where the children had an exciting demonstration on dissecting a heart and examining a pluck (heart, lungs and trachea). This session enabled the children to build upon their learning about the heart and circulatory system from Spring Term. The Trinity staff were impressed at the knowledge, understanding and use of terminology demonstrated by the children.

Year 6 Final Day – Friday 14th July

For many of our Y6 children, their last day at Brooke will be Friday 14th July. They will be joining their secondary school for the final week of term for transition.

The arrangements for the final day are detailed on this letter, which was sent to parents earlier in the term.

[Y6 End of Year Arrangements and Leavers' Concert](#)

We also invite the Y6 children to wear an old shirt on Friday, which they can have signed.

UKS2 Sports Day

A big thank you to all the parents, carers, family members and friends that came to the UKS2 Sports Day to cheer our children on. The children raced to gain points for their classes. The results are as follows:

1st Y5HJA - 127pts

2nd Y6LFA - 111pts

3rd Y6BT - 110pts

4th Y5JO - 93pts

Leaf Printing

The year 1 children have thoroughly enjoyed exploring leaf printing this half term during their Art and Design lessons. They have explored colour in the style of William Morris and have explored printing with a range of objects, including natural resources. They built up to their final pieces where they chose their own colour paper, paints and leaves.

Sewing in Y2

Year 2 had an exciting morning on Thursday sewing mittens as part of their Design and Technology project. The children were thrilled with their finished mittens and spent most of the day wearing them. A HUGE thank you to all the parents and carers that came in to support the children with their learning. It was lovely to see so many of you. Get ready for Y3 as we will be signing you all up again!

Y5 Hornsea School Visit

Year 5 had a wonderful visit to Hornsea. They collected data from the seafront, looked at all the coastal defences and had an ice cream to celebrate their research. What fantastic geographers they were! Mr Jones (Geography Lead) was very excited to hear all about their visit and look at their data.

The children received several comments from members of the public saying how they were a credit to our school.

Themed French Day

On Friday 14th July we will be holding a themed French Day. French is the language we teach our children when they enter KS2. To celebrate this, we are asking the children to come to school on this day wearing the colours of the French flag. There will be a range of exciting activities happening throughout the day. We would love everyone in school to take part and be creative. If any of our children have visited France or any other French speaking countries we would love to display the photos are school. Please send to br-admin@vennacademy.org

**Home School Partnership**

Pupil	For
Sophia C	Dancer of the day at dance club
Hattie R	Star of the week at dancing
James L	Bravery at hospital
Ruby R	Star of the week at dancing

Attendance Challenge Winners – W/E 30/06/2023 (Summer 2, Week4)

Attendance is at or above the school target of 96%

Attendance is between 92 – 96%, below school target and being monitored

Attendance is below 92% and significantly below the school target of 97%. Action to improve attendance needed

<u>Phase</u>	<u>Class</u>	<u>Percentage</u>	<u>Winner</u>
EYFS	F1 Mrs Whitfield	87.3%	All children who achieved 100% will receive a dip in the box
	F2 Mrs Baxter	91%	
	F2 Miss Rowbotham	94.7%	
KS1	Y1 Miss Hennigan	89.5%	Y2 Mr Moore – Non uniform day Wednesday 12 th July
