

04.09.2023

Dear Parents/Carers

We would like to invite yourself or another family member into school for a Teddy Bear Tea Party. This will just give yourselves or another family member the opportunity to see how your child has settled during their first half term in Nursery.

The sessions are on Wednesday 18<sup>th</sup> October at either 10.45am or 2.30pm, depending upon the sessions your child attends. During this time, the children will sing some songs and rhymes that they have learnt and then be able to explore the indoor and outdoor continuous provision areas. You will be able to enter the event via the F1 Nursery door.

We would love your child to bring their favourite teddy into school for the session to share with the class.

Thank you for your support and looking forward to seeing everyone soon.

Kind regards,

The Nursery Team
