

Wednesday 27th September 2023

Dear Parents/Carers,

It's Harvest time again! The children will celebrate the Harvest Festival on **Monday 09th October**, in a special assembly with Amy from the Doncaster Religious Education Team.

In preparation for the celebration of Harvest, could we kindly ask for donations of both savoury and sweet, tinned, dry and fresh foods. This will then be collected by Thorne and Moorends Food Bank to help members of our community who need extra support. Helping the local food bank will be our way of giving something back to our community.

Every item is greatly appreciated by the volunteers at our local food bank, who don't just provide food but also advice about other ways to get help if you need it. If you are finding it difficult to make a food donation this year they would also appreciate carrier bags, so that they can use them to pack food parcels in.

You may start bringing your contributions from Monday 02nd October, however can any fresh food please be brought in nearer to the collection date which is Tuesday 10th October.

Many thanks for your continued support.

Miss L. Jackson

Leader of Religious Education
