## Weekly News

As you know we have recently had an inspection from Ofsted. First of all, thank you for the support that you gave through talking to them on the gate, through the questionnaire and by letting them talk to you on the phone.

The result is confidential at the moment, until the report has been quality assured. Once it is, parents and carers receive the report first, before it is published.

They identified many strengths and have given us some clear ideas on how to take Brooke forwards. They were particularly impressed with the children and the relationships that they have with each other and with staff. We are really pleased with the comments they made and can't wait to share the final report with you.

### Internet Safety

The first computing lesson of the new academic year has been all about online safety and using the SMART rules to help us make the best decisions when keeping safe online. The children have been exploring how to log in to Purple Mash safely, staying safe, to understand the importance of never meeting up with strangers, never to accept unknown files, ensure the information is reliable and always tell someone if something is worrying them. The children have been making a range of posters and leaflets across the school to share this information with others.

The poster is for Moorends Marauders, a local football club. It features a central image of a young player in a white kit with 'STILLEN' on the sleeve, holding a football. The background is a collage of local businesses and the club's logo. The text is in various colors and fonts, including yellow, white, and blue. The club's logo is a circular emblem with a green and yellow design. The poster includes contact information for Shaun and Jamie, and a list of benefits for joining the club.
