## Weekly News

In assembly this week, we read 'The Adventures of Smartie the Penguin' and identified the main ideas about how to keep safe online. The children refer to the SMART posters we have in all the classrooms and the computer room to help them keep safe when using the internet.

### 2023 British Legion Poppy Appeal

Thank you to all of our families who helped us to raise a fantastic £251.72 towards this year's Poppy Appeal.

### Miss Low's Science Bulletin:

Fantastically, a group of archaeologists have uncovered Europe's hidden Bronze Age megastructures in Europe. Using satellite images and aerial photography to stitch together the prehistoric landscape of the south Carpathian Basin in Central Europe, the team discovered more than 100 sites belonging to a complex society.

### Children in Need

The children really enjoyed dressing up for Children in Need on Friday 17<sup>th</sup> November. How amazing did they look! We raised £259.37 A huge thank you to everyone who donated – we really appreciate you support.

**Black History Month Competition**

Our Black History Month Competition had a record number of entries, this year! We are proud of each and every child, whom entered. Every child won a prize, but it was especially difficult to pick some winners due to the high standard of the entries...

However, we finally managed to whittle the entries down to a first, second and third prize:

1. Tallulah W
2. Daisy A
3. Emily C

Huge congratulations to all three children; your entries were informative, well-written and very interesting!

**School Council**

On Tuesday, Mrs Roberts met with the school council to generate ideas for Brooke’s kindness advent calendar. Like other advent calendars, it will start on the 1<sup>st</sup> December with each day revealing a random act of kindness for the children to complete that day. The school council had some wonderful ideas and they can’t wait to distribute them around the school.
