Transition

This year, to support all pupils, we are going to have an extended transition period. This will include teachers visiting classes and getting to know the children over a longer period.

From Wednesday 10th July to Friday 12th July, the children will visit their new teacher in their new classroom. During those 3 days, the children will follow the routines of their new year group. You will need to be aware of your child's new classroom. On the first day, staff will be available to direct you to the new classroom. Please also look for the signs on each classroom door.

A number of children with special educational needs will receive additional transition support over the remaining weeks. The class teacher will be made aware of these arrangements and will share this with you if your child is involved in this.

Final Day - Friday 19th July – Class Celebration and Parties

During the last week, the children will be with their current class teacher, in their current classroom. **The final day of term is Friday 19th July.**

The children are invited to attend in non-uniform on this day. However, suitable clothing and footwear must be worn, as the children will go outside to play as normal and will be taking part in a disco and fun games with their class teacher.

Without wanting to wish the final term away, I know children and staff will soon start to feel excited about next year. The children start back at school on **Tuesday 3rd September**, and we look forward to the exciting, new academic year.

Yours sincerely

Brooke Primary Academy
