World Nursery Rhyme Week

Dear Parents and Carers,

Nursery rhymes are very important to young children and can help to develop language and literacy skills, numeracy skills and social, physical and emotional skills.

To celebrate, children will be involved in lots of activities related to various nursery rhymes. On Wednesday 18th November, we are asking the children to come dressed as something that associates with their favourite nursery rhyme. This could be anything from a spider for Incy Wincy Spider to a doctor for Miss Polly had a Dolly. On this day, we would also like to invite you to come and share a special performance of some nursery rhymes by your child and their class.

- Parents/Carers of children in F1 (Nursery) are invited into the school hall at 9.00am or 2.45pm to watch a performance.
- Parents/Carers of children in F2 (Reception) are invited into the school hall at 9.30am to watch a performance.
- Parents/Carers of children in Beginnings are invited into the classroom at 2.45pm to watch a performance.

Please take a look at the following website for resources you can use at home with your child to celebrate the week.
